What an exciting month for Relevate Student Ministries! We have been working on remodeling the youth room and it is coming along nicely. We are really going to enjoy having the extra space as well as the stage for our services. Thank you to everyone who is helping with this project - we couldn't do it without you!

Also this month, we are in a sermon series called R.O.C. (Reaching Our Community). We need to not only show people that we are living for Jesus by our lifestyle but by our actions as well. Remember the old saying, "People don't care how much you know unless they know how much you care." The challenge to our students is to look for opportunities to minister to those around them - see a need, fill a need - make a difference! We are so excited to put these things into action and see our community changed!

Some of our students will be competing at District Fine Arts in Springfield on March 6th. Please remember them in your prayers as many of them will be competing for the first time! AWESOME! Thank you for your continued support of Relevate Student Ministries!
